

CASINO NIGHTS

Fun Casinos are now one of the most popular themes for corporate entertainment evenings, sales promotions, product launches, fund raisers etc. An ideal way to entertain prospects, clients, executives and employees.

With friendly professional croupiers, full sized gaming tables and accessories and an authentic fun casino atmosphere.

Games include **Roulette**, **Blackjack**, **Caribbean Stud Poker**, and **American Dice**, where guests exchange vouchers for Real Casino Chips and play for prizes of your choice.

Casino Tables can be used as a stand alone event and each table will entertain up to 12 guests, or as part of a wider selection of entertainment such as Video Horse Racing, Pub Games and Video games.

Always popular, very flexible and fit into a wide range of themes and can run either side, during and after dinner.

All tables come with a fully qualified croupier.

“ The conference dinner was a great success, I have had such good feedback from all the staff. In particular the Casino tables were very popular. I never realised people could get so competitive with fun money! ”
