

MURDER MYSTERY

Our murder mystery events will entertain your guests over an evening or weekend, catering for corporate groups, conferences, hotels, team building or private parties at a buffet, lunch or evening dinner. We have many art deco themed murder mysteries available, all in different formats to suit your budget, for example;

MURDER IN A THYMELY MANOR – (Two/Four actor format) – Classic Manor House Plot

PARTY TO MURDER – (Four actor format) – Classic Country House Party

A LESSON IN MURDER – (Two/Four actor format) – School / College Themed Plot

A DOSE OF DEATH – (Four actor format) – Pharmaceutical / Medical Based Plot

All of our plots are set in the year 1929, in the fictional village of “Thymely over Actin” with the humour very much based on the “Carry On” style. If you require something different we are also able to offer many non art deco themes such as;

'ULLO 'ULLO – RESISTANCE IS FUTILE – (Four actor format) – World War Two Based Theme –
Why not come dressed as your favourite character from the show?

CASINO FATALE – (Four actor format) – James Bond Theme

The four actor events start at pre dinner drinks and run through the meal until coffee with the actors performing the fully scripted scenes between courses. Clues and information will become available throughout the event to assist the detectives, played by the guests in the teams. At the conclusion of the evening, certificates and prizes are presented for the winners and losers. We can supply custom scripted events to suit your selected venue, company or ideas.

All our murder mystery events are hosted by professional actors working with either an assistant or three other professional actors depending on your budget. To ensure the smooth running of your event, we also provide an Event Manager to co-ordinate every four actor performance. All actors are selected for their ability to improvise and entertain and are all members of Equity.
