Be a pop star for the night...

A fantastic, fun team building evening with a difference... Teams fight it out displaying their vocal and dancing talents in a full-set Xtra Factor Song Contest. Having pre-determined their songs teams rehearse their lyrics over dinner. Example songs: YMCA, I Will Survive, Dancing Queen, Hot, Hot, Hot, Grease, and hundreds more to choose from.

Then the fun really begins! Introduced by our compere, teams will perform their song in front of the other guests and judging panel. Each team is provided with hilarious outfits and props to ensure an unforgettable experience! The event is rounded off with a full awards ceremony, followed by our DJ.
